- TokenTraxx is now OCC registered + reporting.
- We are also working on token gated access. This can be video or streamed content accessed via a microsite.
- Additional utility can include - access to events, early access to tickets, merchandise, digital merchandise + wearables.

Album Artwork.

Animated album artwork.

Unlimited songs.

Unlimited voice notes + commentary.

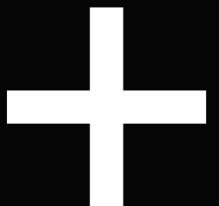

Additional digital images.

Additional / bonus audio  
(live sessions + remixes)

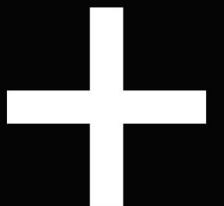

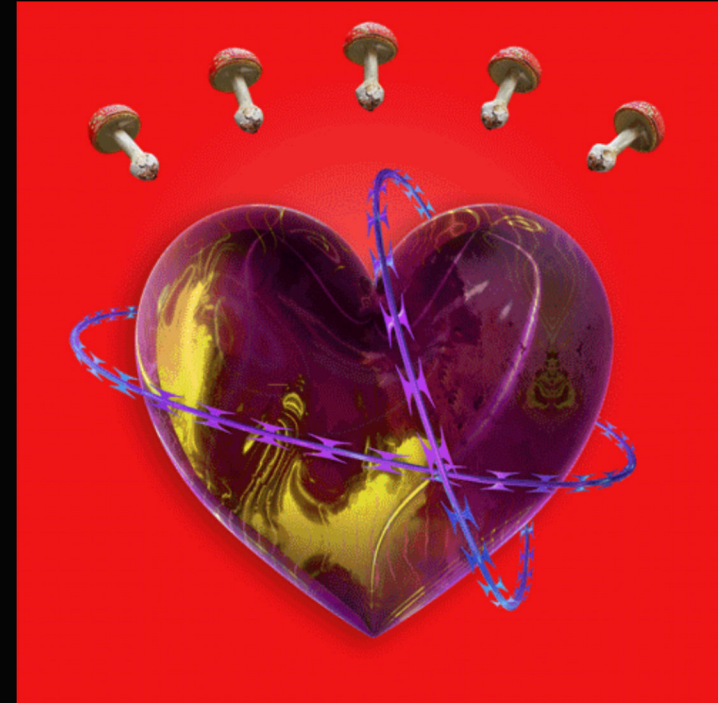

Digital signatures.

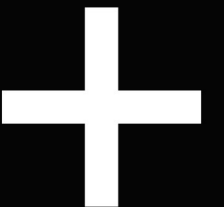

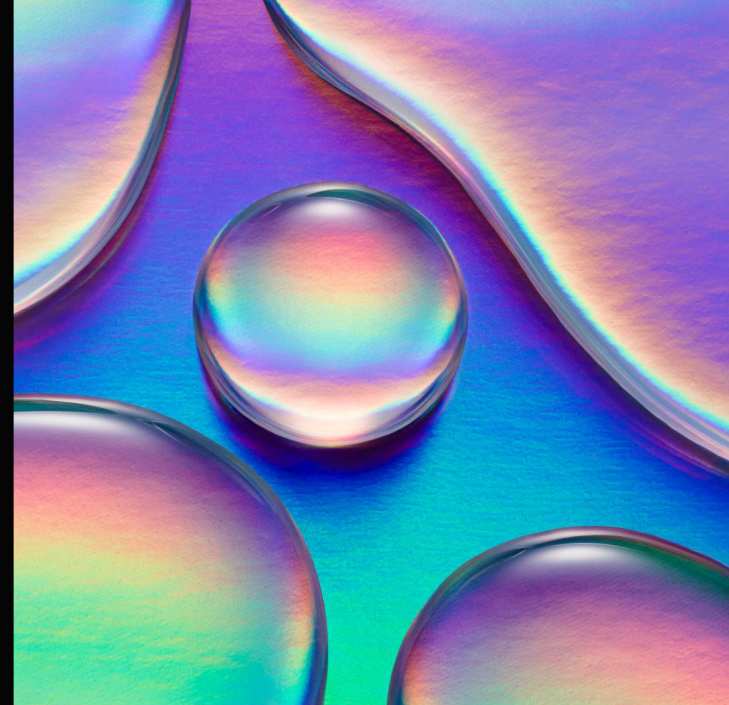

# TraxxStemz.

- A unique generative NFT (music + artwork) exclusive to TokenTraxx.
- Our first generative art and music NFT collection from TokenTraxx launched on 07.09.2022.
- Graffiti6's new track "Revolution" with remixes from Flux Pavilion, Oden & Fatzo, Paul Woolford and Calyx & TeeBee has been stripped down and reconstructed into 3030 unique NFTs with accompanying artwork by graffiti artist Jimi Crayon.
- Check it out: <https://app.tokentraxx.com/artists/graffiti6>

# Other NFT Variants.

- One of one's. Unique + single edition NFTS. English auction available in December.
- Editions - Multiple copies of NFTs.
- Membership passes - providing access to a series of drops/releases, events + utility.
